## New Equipment Rebate Terms and Conditions

### Applicant Eligibility

1. Applicants must be the customer of record OR own the facility where the installation occurred for an active SCE&G residential electric account. Only one rebate may be given per installation.
2. Rebates are valid for purchased equipment. Leased equipment will not qualify.
3. Only equipment purchased and installed after March 1, 2011 can qualify. All equipment must be new and must be installed prior to the submission of the rebate application. Only equipment meeting the program's efficiency requirements can qualify. Equipment must be installed by a licensed installer.
4. Applicants are responsible for ensuring that equipment installed for this program meets all applicable codes, standards and requirements.
5. To be eligible for a rebate, installed equipment must be of the same equipment type as removed equipment. (Ex: Central air conditioners must be replaced by central air conditioners and heat pumps must be replaced by heat pumps.) This program does not allow fuel switching.
6. Removed equipment must be legally disposed of and must not be reinstalled in SCE&G's service territory or transferred to any other party for installation in SCE&G's service territory.
7. Applicants must submit a completed Heating and Cooling Rebate Form along with a copy of proof of purchase (itemized sales receipt with date of purchase) within 90 days of installation.

### Other Conditions

1. SCE&G's Heating and Cooling Rebate Program has been approved by the South Carolina Public Service Commission and may be subject to change or modification, without prior notice, at any time.
2. Rebate payments will be in the form of checks and made out to the account holder (customer). Should the applicant not be an SCE&G customer of record (e.g., facility-owner), the rebate payment will be in the form of a check to the applicant.
3. Should equipment for which a rebate was paid be removed after the rebate is paid, the applicant will reimburse SCE&G for the rebate paid plus associated legal and/or collection related costs and expenses.
4. SCE&G reserves and the Applicant grants SCE&G the right to inspect the installation. Should the facility not have the qualifying equipment installed, contrary to the information contained in the Application, the rebate must be repaid to SCE&G.
5. SCE&G reserves the right to amend or discontinue this program without notice.
6. Send your completed Heating and Cooling Rebate Form and proof of purchase to:

**Mail: SCE&G HVAC Rebates**  
**220 Operation Way**  
**Mail Code DSM**  
**Cayce, SC 29033-3701**

**Email: [EnergyTeam@SCEG.com](mailto:EnergyTeam@SCEG.com)**

**Fax: 1-855-826-7543**

7. Rebates will be processed approximately four to six weeks after receipt of a completed Rebate Claim Form and proof of purchase. Incomplete applications are subject to delay or denial.
8. SCE&G does not warrant the performance of the equipment or that the equipment will result in reduced usage or demand or lower energy costs.
9. If you have questions, call **1-877-510-7234** or visit [sceg.com/energywise](http://sceg.com/energywise).
